I. VISION STATEMENT:

Asset Reconstruction Companies (ARCs), known by different names in different countries, have been used world-wide, particularly in Asia, to resolve NPAs. However, these had a varying degree of success in different countries. ARCs focus on resolution of NPAs and allow the banking system to act as "clean bank".

Asset Reconstruction Company (India) Limited (Arcil) was formed as a first ARC in India. As the first ARC, Arcil played a pioneering role in setting standards for the industry in India. It has been spearheading the drive to recreate value out of NPAs and continues to play a proactive role in re-energizing the Indian industry through critical periods. Being the premier ARC of the country, Arcil align its vision to *"Be a major contributor to the Indian economy by enhancing velocity of capital."*

Arcil has always strived for creating value in the financial sector by reviving the NPAs. The Company also intends to make a positive difference to society and contribute its share towards the social cause of betterment of society. The Company also believes in the trusteeship concept. This entails transcending business interests and working towards making a meaningful difference to the society.

In this regard, the Company has made this policy which encompasses the Company's philosophy for delineating its responsibility as a Corporate Citizen and lays down the guidelines and mechanism for undertaking socially useful programs for welfare & sustainable development of the community at large and titles as the **"Corporate Social Responsibility (CSR) Policy"** which is based as per the Companies Act, 2013 and rules made there under.
